# "Fountain of Youth" The Perfect Gift Package

"You're going to LOVE IT!"

## "It's Time for Prevention!"

### Human Touch Zero Gravity Medical Chair Massage

This awesome massage is the perfect gift for the person who needs to relax, but may not be comfortable with a traditional hands on massage.

Recharge your bodies batteries in

### Aqua Chi "Energizing" Footbath!

Slide your feet into the warm water, lean back in the heated massage chair. We will lower the lights and put on the music while you smile. This system converts electrical current into millions of tiny ions of energy that your body can absorb and use to your greatest benefit.

### Regular Maintenance

We make sure our car has a regular tune-up and our children and pets have all their regular checkups. But how are we caring for ourselves ... beyond our annual health checkup?

**"For every \$1 you spend on preventive health care today, you will save \$5 on surgeries, medications and doctor's bills later. What are your long term health goals?"**

You don't have to look far to see the results of poor health maintenance.

Don't let it happen to you!  
You are in charge!

Relax!

Energize!
